

As loudly as we can say - LEAVE WISCONSIN'S NO CALL LIST AS IT IS!
DO NOT SELL THE PEOPLE OF OUR STATE OUT TO ANY BUSINESS INDUSTRY.
STAND UP FOR US!!

We recently changed banks, and we can say without doubt, that we do not want our former bank calling us to try to get us back. It's a business decision we made & they need to respect it. Their calls would only reinforce our decision to leave. From our viewpoint, their time and money is better spent using other advertising mediums to retain/attract customers. If they advertise a better package, then maybe they'll get some old customers back.
